**NOTICE TO BIDDERS**  
**MADURA ROAD SIDEWALK PROJECT**

Only properly licensed contractors are invited to bid on the Madura Road Sidewalk Project. This work includes the installation/construction of concrete sidewalks as shown in attached map.

The Board of County Commissioners of Santa Rosa County, Florida (Owner) will receive sealed bids from qualified licensed contractors only until 10:00 A.M. (CST), August 1, 2016; at the Santa Rosa County Procurement Department, 6495 Caroline Street Suite J, Milton, Florida 32570. Bids received after this time will be rejected and returned unopened to the bidder. Bids will be opened publicly and read aloud. All interested parties are invited to attend.

Bid documents, Statement of Work, including single line diagram/map, sketch and specification relative thereto may be inspected at the Santa Rosa County Procurement Department, 6495 Caroline Street, Suite J, Milton, Florida. Plans and specifications may be secured from the Santa Rosa County Procurement office.

A pre-bid meeting will be held on July 22, 2016 at 10:00 A.M., on site at the intersection of Tiger Point Blvd. and Madura Road, in Gulf Breeze, FL 32566; attendance is strongly recommended. All interested parties are invited to attend.

Questions concerning this project should be directed, in writing, to Glenn Bailey at [glennb@santarosa.fl.gov](mailto:glennb@santarosa.fl.gov) prior to July 29, 2016 at 4:30 P. M.

Each bid shall be submitted on the bid form shown and must be accompanied by a Certified Check or bid Bond in the amount of five percent (5%) of the Base Bid, and copies of appropriate licenses. Such Bid Bond or Check is given with the understanding and agreement that it guarantees: (1) that the bidder will not withdraw his bid for a period of 60 days after the bids have been opened; and, (2) that if his bid is accepted, the Bidder will enter into the written Contract with Santa Rosa County and furnish the required Performance Bond Payment Bond Insurance Certificates, within 10 days after receipt of Notice of Award of his bid. Pursuant to Florida Statutes, Section 255.05, should the contract exceed \$100,000, the Contractor shall be required to execute and record the performance and payment bonds. The bonds must state the name and principal business address of both the principal and the surety and a description of the project sufficient to identify it. In the event the bidder fails to comply with any of these conditions and requirements in whole or in part, the full amount of the bond or check shall be automatically forfeited to Santa Rosa County as damages on account of the default of the bidder.

The Owner reserves the right to waive informalities in bids, to reject any or all bids with or without cause and to accept the bid that in its judgment is in the best interest of Santa Rosa County, Florida.

The Contract form shall be provided by the County Attorney.

Completion Time: The entire project shall be completed within one hundred twenty (120) calendar days after the Notice to Proceed.

The date of substantial completion of the work or designated portion thereof is the date certified by the Engineer when construction is sufficiently complete and approved in accordance with the

Contract Documents so the Owner can occupy or utilize the work for the use which it was intended.

Liquidated damages will be established in the amount of \$500.00 per calendar day for each calendar day after completion date if the work is not substantially complete as certified by the Engineer.

Payment requests approved by the Engineer for work completed satisfactorily in accordance with the Contract Documents shall be reduced by a ten percent (10%) retainer. The ten percent (10%) retainer shall be retained by the Owner until final completion and acceptance of the work by the Engineer.

Santa Rosa County Board of County Commissioners encourages all segments of the business community to participate in its procurement opportunities, including small businesses, minority/women owned businesses, and disadvantaged business enterprises. The Board does not discriminate on the basis of race, color, religion, national origin, disability, sex, or age in the administration of contracts.

## Scope of Work

The scope of work is to construct concrete sidewalks on Madura Road from Tiger Point Blvd to East View Place. (See attached map and cross section). The attached single line diagram/map indicates general sidewalk location. Exact sidewalk alignment shall be coordinated with county public works department prior to construction. The sidewalk shall be constructed to match the existing grade. The sidewalk will have a transverse slope either toward or away from the road to maintain existing drainage patterns. Minor cut and fill will be required during construction to provide a smooth transition of the sidewalk and maintain existing drainage patterns.

Work shall include the following:

- 1) Prepare site for concrete sidewalk. Scarify soil, remove top soil/organics/vegetation and compact native soil. Remove unsuitable soils, replace with granular fill, and compact. Santa Rosa County shall provide and deliver suitable fill as required. Fill material will be stock piled within the project area. Fill material shall be placed and compacted by contractor.
- 2) Form, place and finish three (3) sections of new concrete sidewalks as shown in attached site plan. Section A sidewalk from Tiger Point Blvd. to Players Club Circle shall be 4" thick, 5' wide and approximately 1150 LF. Section B sidewalk from Players Club Circle to the bridge shall be 4" thick, 5' wide and approximately 1750 LF. Section C sidewalk from the bridge to East View Place shall be 4" thick, 5' wide and approximately 1250 LF. The project is divided in to the three sidewalk sections A, B and C for the purpose of scheduling and possible phasing depending on funds availability. Please provide a quote for each section of sidewalk as well as a total using the bid table below.
- 3) Sidewalk finish shall match existing adjacent sidewalks on Tiger Point Blvd.
- 4) Sidewalks shall have a minimum strength of 2500 pounds per square inch (PSI) and be reinforced with woven wire fabric or fiber reinforced concrete.
- 5) Sidewalks shall be constructed with a maximum of ¼ inch in 12 inches slope.
- 6) Sidewalks shall conform to ADA requirements.
- 7) Sidewalks shall have ADA ramps at all street intersections.
- 8) One-half (1/2) inch expansion joints shall be at thirty (30) foot intervals or less, with control joints at ten (10) foot intervals.
- 9) Contractor shall be responsible for any incidental work associated with sidewalk construction such as utility valve box adjustments, irrigation repairs/relocates etc.
- 10) Contractor shall remove and haul any excess soil and vegetation removed from site.
- 11) Clean and restore site. Restoration shall include sodding any areas disturbed during construction. Dispose of all construction debris, trash and unused materials.

### NOTES:

- 1) After removing vegetation and top soil, compact existing soil for base materials. Remove unsuitable soils, replace with granular fill, and compact. Santa Rosa County shall provide and deliver suitable fill as required. Fill material shall be placed and compacted by the contractor.

- 2) The sidewalk shall be constructed to match the existing grades. The sidewalk will have a transverse slope either toward or away from the road to maintain existing drainage patterns.
- 3) Sidewalks shall conform to ADA requirements.

## PROJECT ADDENDUM #2

The following additions/clarifications are to be incorporated into the project scope of work

Question:	Who is responsible for residential irrigation system repairs or relocations?
Answer:	The contractor is responsible for any irrigation system damages or relocations required for sidewalk construction.
Question:	Who is responsible for moving or re-constructing residential mailboxes?
Answer:	We will adjust the sidewalk alignment to avoid mailbox conflicts. There may be one or two mailbox posts where we may seek permission from the owners to relocate.
Question:	Who is responsible for street sign conflicts?
Answer:	The County will relocate any signage that may be in conflict with the sidewalk alignment.
Question:	Who is responsible for relocating communication cabinets that are in conflict with the proposed sidewalk?
Answer:	There will be no communication cabinet relocations.
Question:	How far off the right-of-way will the sidewalk be constructed?
Answer:	Sidewalk alignment will vary. In most instances, alignment will be 2-3 feet from the back of curb or the edge of pavement. So, assume all sidewalk construction will form work.
Question:	There are one or two locations that appear to need handrails installed. Who will install handrails?
Answer:	The contractor is not responsible for any handrail work. This will be handled by Santa Rosa County.
Question:	Who is responsible for crosswalk striping?
Answer:	Santa Rosa County will handle any paint striping.
Question:	Who is responsible for management of traffic (MOT)?
Answer:	The contractor is responsible for MOT. Flagmen are required when traffic or contractor operations warrant but not for all operations.
Question:	Will density of concrete testing be required?
Answer:	No. However, the contractor is expected to provide adequate soil compaction as well as ensure concrete mixtures are suitable to provide a quality-finished product.

Statement: At the Madura Road Bridge between the cart path and the bridge, there appears to be a 50 foot section where the grade will be too steep. For this 50 foot section, in addition to the sidewalk, construct a concrete retaining curb on the backside of the sidewalk to retain the earth as required.

Question: At the Madura Street Bridge there is a small ditch/swale for storm water leaving the roadway to drain to the lake. How shall this drainage be maintained if constructing a sidewalk?

Answer: Construct a concrete sidewalk flume section at this location to accommodate the ditch (see diagrams below).

## PROJECT ADDENDUM #3

The following additions/clarifications are to be incorporated into the project scope of work

Question: Will the contractor need to install any Erosion Control devices?  
Answer: Yes, where needed such as any storm inlets or receiving surface water down gradient of the work.

Question: Will any of the sidewalks be tying into the back of curbs?  
Answer: We cannot think of any location where this might occur because the proposed sidewalk work shall comply with the ADA. So there will be wheelchair ramps at the intersections.

Question: Can the contractor work on weekends?  
Answer: Yes. Weekend work is not a problem.

Question: Will there be any lane closure restrictions?  
Answer: The roadway cannot be completely closed. Lane closures are acceptable, but the contractor is responsible for traffic management.

Question: Who will be responsible for public awareness?  
Answer: Santa Rosa County is responsible for handling public awareness for the project.
